

# Aniket Pawar

Sandip University, Nashik

## Education

<b>BTech, Computer Science and Engineering</b> , Sandip University, Nashik	CGPA: <b>8.12/10</b>	2022 – 2026
<b>XII, Maharashtra State Board (HSC)</b> , G. D. Sawant Junior College	Aggregate: <b>64 %</b>	2020 – 2022
<b>X, Maharashtra State Board (SSC)</b> , Janta Vidyalyaya Pavan Nagar, Nashik	Aggregate: <b>89 %</b>	2020

## Experience

**Web-Development Intern | Horizon Flare [Certificate]** (November 2025 – December 2025)

- Developed a premium, high-end UI/UX for the **Valore** luxury handicraft e-commerce platform, implementing a refined design system featuring rounded components and sophisticated color palettes to enhance the digital shopping experience.
- Collaborated with the technical team as a **Team Innovator (Frontend)** to build and document the architectural layout of a live web application.

**AI Intern | Edunet Foundation [Certificate]** (October 2025 – November 2025)

- Developed a project demonstrating **practical applications of AI/ML in solving real-world problems**.
- Strengthened expertise in **model development, deployment, and evaluation** while gaining exposure to end-to-end workflows.

**UI/UX Design Intern | GROOTT Digital [Certificate]** (December 2024 – August 2025)

- Contributed to 2 client-facing projects, improving user experience and achieving a 15% faster navigation flow.
- Collaborated in an Agile development environment, participating in sprint planning and daily stand-ups.

**Product Design Job Simulation | Accenture [Certificate]** (June 2024 – June 2024)

Completed a product design simulation with Accenture, applying UX principles to real-world scenarios.

**STTP: Soft Skill Program [Certificate]** (December 2022 – January 2023)

## Projects

**AI-Campus: AI-Integrated Centralized ERP System for Educational Institutions** (June 2025 – Present)

[Supervisor – Dr. Rais Khan]

- Developed a unified ERP system that reduced faculty administrative workload by 20%, improving overall productivity.
- Implemented AI-powered progress tracking and flashcard generation used by 50+ students, increasing engagement.
- Secure access for Admin, Faculty, and Students.
- React, Tailwind CSS, MongoDB, OpenAI API, JWT.
- Gained experience in ERP integration, AI-driven automation, responsive design, and data-driven insights.

**Personalized Career and Skills Advisor [Github]** (September 2025 – Present)

- Designed and built a system to generate career & skill recommendations based on user background.
- Built modules for skill extraction, gap analysis, learning roadmap, and interactive UI.
- Integrated ML / NLP, backend & frontend components; deployed the system for real-use.
- Learned full-stack design, recommender systems, and handling real user inputs.

**Portfolio [Github]** (October 2024)

- The portfolio highlights your web development skills, including projects you've completed, technologies used, and your design capabilities.
- Built with a focus on user experience, the portfolio is created to be responsive, ensuring accessibility across various devices and screen sizes.
- Serves as a personal branding tool, allowing potential employers or clients to view your work, style, and professionalism in a single, cohesive presentation.
- Leveraging knowledge from your portfolio project, you gain valuable experience in presenting your skills and projects effectively, employing responsive design principles, and enhancing your personal branding as a web developer.

**Lenskart Clone [Github]** (March 2024)

**Smart Recipe Discovery and Cooking Assistant [Github]** (November 2024)

## Skills

**Programming Skills** C, C++, Python, HTML, CSS, JavaScript, React, AutoCAD.

**Software Skills** Linux, Git, React, Django, Bash, Figma, Spline, Visual Studio Code, MySQL, MongoDB.

**Relevant Coursework** Data Structures and Algorithms, Computer Networks, Computer Architecture, Digital Logic and System Design, Software Tools, Algorithm Design, Discrete Mathematics, Object-Oriented Programming, Operating System, Software Development Life Cycle(SDLC), Agile Development.

**Soft Skills** Ability to work independently and as part of a team, detail-oriented and able to handle multiple tasks simultaneously, interpersonal communication, people management, negotiation

## Certifications

**Oracle Cloud Infrastructure 2025 Certified Generative AI Professional Link** (September 2025)

**Google AppSheet: Getting Started Link** (April 2025)

**TCS iON Career Edge – Young Professional Link** (March 2025)

**Google Cloud Computing Foundations Link**

## Hackathons

- Achieved 3rd Rank among 200+ participants in a UI/UX Hackathon organized by NIT Silchar.
- Secured Top 10 (7<sup>th</sup> rank) among 200+ participants in a UI/UX Hackathon conducted by IIT Guwahati.

## Languages

- English: Full Professional Proficiency
- Marathi & Hindi: Native Proficiency
