

Education:

BTech, Computer Science and Engineering, Sandip University, Nashik	CGPA: 8.12	2022 – 2026
XII, Maharashtra State Board (HSC), G. D. Sawant Junior College	Aggregate: 64 %	2020 – 2022
X, Maharashtra State Board (SSC), Janta Vidyalaya Pawan Nagar, Nashik	Aggregate: 89 %	2020

Experience:

Full-Stack Intern Infosys Springboard.	(Feb’ 2026 – Present)
Engineered a production-ready application by leveraging a modern, scalable technology stack to ensure high performance.	
Web-Development Intern Horizon Flare [Certificate]	(Nov’ 2025 – Dec’ 2025)
- Architected a premium UI/UX for the Valore luxury e-commerce platform, integrating a sophisticated design system to elevate the digital consumer journey. - Spearheaded frontend architectural documentation and layout design in collaboration with cross-functional technical teams.	
AI Developer Edunet Foundation [Certificate]	(Oct’ 2025 – Nov’ 2025)
- Advanced the development and deployment of machine learning models to address complex, real-world computational challenges. - Streamlined end-to-end AI workflows, encompassing data preprocessing, model evaluation, and final system integration.	
UI/UX Design Intern GROOTT Digital [Certificate]	(Dec’ 2024 – Aug’ 2025)
- Accelerated user navigation flow by 15% across two client-facing projects through data-driven design iterations. - Executed design tasks within an Agile framework, actively contributing to sprint planning and daily stand-ups to meet project milestones.	
Product Design Job Simulation Accenture [Certificate]	(Jun’ 2024)
STTP: Soft Skill Program [Certificate]	(Dec’ 2022 – Jan’2023)

Projects:

AI-Campus: AI-Integrated Centralized ERP System for Educational Institutions. <i>[Supervisor – Dr. Rais Khan]</i>	(Jun’ 2025 – Present)
- Developed a unified ERP system that reduced faculty administrative workload by 20%, improving overall productivity. - Implemented AI-powered progress tracking and flashcard generation used by 50+ students, increasing engagement. - Secure access for Admin, Faculty, and Students. - React, Tailwind CSS, MongoDB, OpenAI API, JWT.	
Personalized Career and Skills Advisor [Github] .	(Sep’ 2025 – Dec’ 2025)
- Designed and built a system to generate career & skill recommendations based on user background. - Built modules for skill extraction, gap analysis, learning roadmap, and interactive UI. - Integrated ML / NLP, backend & frontend components deployed the system for real-use. - Learned full-stack design, recommender systems, and handling real user inputs.	
Portfolio [Github] .	(Oct’ 2024)
- The portfolio highlights your web development skills, including projects you've completed, technologies used, and your design capabilities. - Built with a focus on user experience, the portfolio is created to be responsive, ensuring accessibility across various devices and screen sizes.	
Lenskart Clone [Github] .	(Mar’ 2024)

Skills:

Programming Skills:	C, C++, Python, HTML, CSS, JavaScript, React, AutoCAD.
Software Skills:	Linux, Git, React, Django, Bash, Figma, Spline, Visual Studio Code, MySQL, MongoDB.
Relevant Coursework:	Data Structures and Algorithms, Computer Networks, Computer Architecture, Digital Logic and System Design, Software Tools, Algorithm Design, Discrete Mathematics, Object-Oriented Programming, Operating System, Software Development Life Cycle (SDLC), Agile Development.
Soft Skills:	Ability to work independently and as part of a team, detail-oriented and able to handle multiple tasks simultaneously, interpersonal communication, people management, negotiation

Certifications:

Oracle Cloud Infrastructure 2025 Certified Generative AI Professional Link	(Sep’ 2025)
Google AppSheet: Getting Started Link	(Apr’ 2025)
TCS iON Career Edge – Young Professional Link	(Mar’ 2025)
Google Cloud Computing Foundations Link	

Hackathons:

- Achieved 3rd Rank among 200+ participants in a UI/UX Hackathon organized by NIT Silchar.
- Secured Top 10 (7th rank) among 200+ participants in a UI/UX Hackathon conducted by IIT Guwahati.

Languages:

- English: Full Professional Proficiency
- Marathi & Hindi: Native Proficiency
